To the Students of Wakefield High School:

It is a pleasure to extend greetings to you at the beginning of another school year. In the few months that I have been serving as your principal I have become increasingly aware of the importance of your cooperation and support to the success of the school. Having worked with Wakefield students for a number of years I have come to expect the highest standards of conduct and judgment. I am confident that you will maintain the high standards set by former students.

I wish to remind you of the many excellent opportunities which are available to you. During your high school years a greater number of people will be interested in your welfare and will be willing to help you than at any other time in your life. The programs of the school are rich and varied; the staff is well qualified and responsive. You need only to assert yourself in order to gain an outstanding education.

You are expected to follow the traditions of excellence which have been established. Your conduct this year should increase your own maturity and add to the stature of the school. Please accept my very best wishes for your success in the 1965-66 school year.

Sincerely,

Henry A. Rens

The last months of the '64-'65 school session have rung down the curtain on the old and set the stage for the new. The Wakefield Student Cooperative Association has as its theme for the coming season, "Better communications between the administration, faculty, and students." There is a need for all-out cooperation on the part of the entire student body to reach this goal. Following the traditions established at Wakefield, each and every student is expected to participate in the operation of our student government. We sincerely hope that through your active participation and assumption of obligations we will reach our goal.

We extend our sincere wishes to all the student body for a successful 1965-66 school year.

HISTORY

Wakefield High School, named after George Washington's birthplace in Westmoreland County, Virginia, first opened in 1953. Wakefield became an accredited high school in 1956. Enrollment has grown from 1,500 in 1953 to an estimated 2,700 which is the largest in the county. There are about 150 members in the faculty and administrative staff. Under Dr. Harold M. Wilson, the division system was initiated in 1963. In 1964, Mr. Jacob L. Johnson became the principal of Wakefield, replacing Dr. Wilson, who had served for eleven years.

In the fall of 1964, a new wing was added to the school to accommodate added enrollment. Mr. Henry Renz became the third principal of Wakefield High School, succeeding Mr. Johnson on July 1, 1965.

Wakefield's well-rounded athletic program and outstanding scholastic performance have established its excellent reputation.

SCHOOL DAY

The school day will begin for students at 8:15 and continue until 2:47 on regular schedule and 2:49 on activity schedule. Buses will begin picking up students at 7:30.

Buses will remain for ten minutes after the closing of school before departing. All students are urged to plan their afternoon activities so that they may be ready to depart on schedule. Late buses will provide transportation for students remaining

after the close of school for intramurals, clubs, etc. These buses will leave at 4:10.

Students not remaining for intramurals, clubs, or for other official reasons are to depart on the regular bus. No students will remain in the building after the late bus departs unless working with a teacher or with a teacher's written permission for the particular day concerned.

STUDENT ACTIVITIES

Wakefield High School offers a wide variety of activities to its students in addition to the regular school courses. All students should attempt to participate in some way in these activities. Report cards for the first three quarters will be issued approximately one week after the closing date. The last report card containing the fourth quarter and final grades will be mailed to the home.

ATTENDANCE

Absence from school is one of the main factors causing failure of students in their subjects. Good attendance and good attendance procedures are, therefore, very important.

Attendance will be recorded and reported in each homeroom and class.

The roll will be taken in each class immediately following the tardy bell. Period by period the lists of absentees will be checked against homeroom absences for that day. If a student is reported absent from one class when he has been noted present earlier, his home will be contacted immediately.

If an absence is anticipated, it is urged that the student bring the request note from home the day prior to absence. This note should be taken to the student's division office before 8:05 in the morning to be approved.

No student is allowed to leave the school during the day

without permission from the office. When permission has been granted, the student will sign out at the attendance office. Exceptions to signing out are clinic cases and holders of lunch passes.

Names of students in the clinic will be sent to the attendance office to prevent misunderstanding when a student is reported absent by his class teacher.

Students must remember their excuse notes the day immediately following their absence. The note **must** be taken to the cafeteria **as soon as the student arrives at school**. Failure to comply with this regulation will result in referral to the appropriate division director. The secretary will issue the admittance card to each teacher for his signature.

There are two important things to remember about attendance:

(1) **Be in school** unless you are sick, or there is a death in your family, or there is an emergency situation beyond your control. Make every effort to have doctor or dental appointments after school hours.

(2) **Be on time.**

TARDINESS

Students are expected to report to school and to class on time. If a student is detained at home, he must bring a note signed by his parent explaining the reason for his tardiness.

A student may be required to serve detention or to have his grade lowered for the day if he has an unexcused tardiness to any class. Repeated tardiness will be referred to the division directors for action. If a student has a note from a teacher excusing his tardiness, it must be cleared through the attendance secretary before the student goes to class.

WITHDRAWAL OR TRANSFER FROM SCHOOL

When a student desires to withdraw or transfer from school, he must observe the following procedure: 1) he must present a note from his parent or guardian to the division secretary stating the reason for the withdrawal or transfer; 2) he must see that the withdrawal form is signed by the staff members concerned with his school program; 3) he must see that all books and school equipment are returned in good condition and 4) he must return the signed withdrawal form to the division secretary, who will give him his transferral card.

TRANSPORTATION

Students who live outside the one and one-half mile radius of the school building will be transported by county school buses free of charge.

Students are expected to maintain their best behavior while in transit to and from school. The bus drivers are in complete charge of the total group, and any disciplinary problems originating on these buses will be directed to the Division Director's office.

AUTOMOBILES

Students will be expected to park in the student parking area or on the streets adjacent to the school. When parking on these side streets they should consider the home-owner and avoid inconveniencing him. Cars parked in the student parking lot **must** be parked perpendicular to the fence or to the road. No car, at any time, should block another car in the lot. Yellow curbs indicate No Parking Zones.

Except in case of special permission from the office, **students are not to drive or to sit in automobiles during school hours or lunch periods.**

Cars are not to be left in the parking lot overnight.

LUNCH PASSES

Any student living **within a block or two of school** and desiring to go home for lunch may do so if he presents a note from his parent to his division director requesting permission. When this note is approved, a lunch pass is issued to the student. The student may not go home in his car; he may not leave the grounds of school at lunch time unless he has his lunch pass. Passes are issued for one year only and must be renewed each September.

HALL PASSES

Faculty members will issue hall passes to students when necessary for students to be away from their assigned classes or duties. Hall passes should normally contain the student's name, date and time of issuance, authorized destination, and teacher's signature. Students will not be in the halls during class periods without proper authorization. No preprinted hall passes will be used.

CONDUCT

Wakefield has one basic rule of behavior: students are to conduct themselves as good citizens. This includes regarding the rights and privileges of others, caring for the appearance of the grounds, buildings, and fixtures of the school, and respecting those in authority.

ADMINISTRATIVE DISCIPLINE POLICY

Referral of a student to the Administration for disciplinary action is a very serious matter and will be dealt with as such.

The sequences below are those generally to be followed. They must be kept flexible and should be altered as circumstances indicate. For example, in cases representing flagrant deviate behavior such as drinking, fighting, etc., the student's parents should be called, the student sent home, and a readmittance conference scheduled. It is expected, however, that most disciplinary actions will follow this sequence.

I. Class Referrals

- A. 1st time - The director and teacher should counsel the student. An "Application to Re-enter Class" procedure can be followed if the problem seems to require this attempt at a solution. The application should be very helpful if the teacher has worked with the student prior to the referral. A copy of the application should be sent home. If the application is not used, a letter to the home should be used to inform the parent of a difficulty which needs to be corrected.
- B. 2nd time - Director and teacher should counsel the student. The application to enter class procedure should be used or a parent conference should be scheduled.

II. Attendance Referrals

A. Truancy

1. 1st time - A letter should be sent to the parent requesting their assistance or a conference can be scheduled (whichever seems indicated). The student should be counseled. Detention may be assigned.
2. 2nd time - A parent conference should be held. The student should be counseled and detention assigned.
3. Additional instances - The student will be suspended pending parent conference. When it be-

comes clear that previous efforts have not been successful and the student is not profiting from school attendance, the case will be discussed in a meeting of the Administrative Staff and, as a last resort, a termination agreement will be sought, or court referral will be made.

B. Tardiness, Late Note, Card Not Picked Up, Etc.

1. 1st time - The student should be counseled and an information letter should be sent to parents.
2. 2nd time - The student should be counseled and a call or a letter should be directed to parents requesting assistance.
3. 3rd time - A conference should be held with parents. The student should be counseled and detention assigned.

III. Non-classroom Referrals

A. Smoking*, damage to property, bus behavior, hall behavior, cafeteria behavior, etc.**

* The penalty for smoking is suspension from school.

** Suspension from bus privileges may be used when misbehavior is serious and is endangering the safety of others.

1. 1st time - The student should be counseled and a call or letter should be sent to parents requesting assistance.
2. 2nd time - The student should be suspended from bus service.

DRESS CODE

School dress at Wakefield High School should be planned with consideration for proper fit, cleanliness, and good grooming. For girls, dresses and skirts should be no shorter than good taste dictates. Girls are not to dress in such casual wear as sun-back dresses, shorts, slacks, or culottes. All make-up should be used in moderation. Boys are not to wear shorts; all shirttails must be tucked in, except those expressly tailored to be worn out. All students are expected to wear appropriate hose. Suitable shoes will be worn.

It is intended that dress for both boys and girls will not detract from the purpose for which Wakefield was established — to provide as good an education as possible for each student who attends.

USE OF SCHOOL FACILITIES

Students wishing to use school facilities after school must obtain written permission from the office. A faculty member must be present at all times when a student group uses school facilities. All requests for facilities must be made at least 48 hours in advance. Requests for special lighting and multiple microphones must be made one week in advance.

SMOKING POLICY

Smoking by students is prohibited on all school properties, including school buildings, grounds, and buses, during the school day.

Any violation by a student of this prohibition will result in suspension as follows:

- a. Three days for the first offense.
- b. Five days for any subsequent offense.
- c. Readmission to school following suspension will be contingent upon a conference by the school officials with the student's parents.

The school grounds include the entire area bounded by the middle of Chesterfield Road, the middle of Dinwiddie Street, the middle of George Mason Drive, and the private property line contiguous with the athletic fields.

AIR RAID—FIRE DRILL

Air raid and fire drills will be held at different times during school days so that emergency conditions are approximated and so that students will receive this training in all class situations. Students should carefully follow instructions given by staff members. Detailed instructions are posted in all classrooms.

SPECTATOR CODE OF ETHICS

1. Spectators are an important part of the game and should at all times, conform to accepted standards of good behavior.
2. Spectators should, at all times, respect officials, coaches, and players as guests in the community and extend all courtesies to them.
3. Enthusiastic and wholesome cheering is encouraged.

4. Booming and disrespectful remarks should be avoided at all times.
5. Bells, whistles, or noisemakers are not accepted for indoor athletic events.
6. During the free throw in basketball, there should be absolute silence.
7. Spectators should observe and obey the rules and regulations of the school concerning smoking, food and drink consumption, and parking of cars.
8. Virginia state laws prohibit alcoholic beverages of any kind on school property; the law further prohibits any person under the influence of alcohol to be on school property.
9. For flagrant or repeated violation of this code, spectators will be evicted from the area and chastised accordingly.

LOCKERS

Hall lockers are available for storing personal and school property of the student. Locker combinations are issued by the homeroom teacher. No deposit fee will be charged for the use of this facility. Periodic locker inspections will be held, however, and any damage resulting from other than normal use will be charged to the student.

Damage to lockers should be reported at once. Pictures or mirrors should not be put in or fastened to lockers. Under no circumstances should lockers be marked or written upon. Each student is responsible for his own locker; students are to use only the lockers assigned to them.

LIBRARY

Wakefield High School Library has over 25,000 volumes and subscribes to over 120 periodicals. There are up-to-date information and vocational files, college catalogs, and maps available for student use.

The Library hours are as follows:

7:30 A.M. - 6:00 P.M.	Monday and Wednesday
7:30 A.M. - 4:00 P.M.)	Tuesday and Thursday
7:00 P.M. - 9:00 P.M.)	
7:30 A.M. - 4:00 P.M.	Friday
10:00 A.M. - 1:00 P.M.	Saturday

All books, except those on reserve and reference books, may

be charged out for a period of two weeks by signing the book card with student's name and home room section. Books may be renewed. Reserve books may be charged out for use in the library for one period or for overnight use at home at the close of the library day. Reference books are to be used only in the library. Periodicals may be charged out for use in the library. Information materials, vocational materials and college catalogs circulate for limited periods of time.

Students may "sign-in" to the library with the attendant at the door in the following ways:

1. By "signing in" with a study hall number.
2. By presenting a pass signed by a teacher.
3. By other prescribed means.

Once a student is in the library he may not leave unless he has presented a pass from a teacher with "return" written on it.

Students may come in to library during the extended hours (those before or after the regular school day) without signing in.

Conduct in the library will conform to the following:

1. There is to be no talking for any reason. This means students may not study together if this involves conversation.
2. A student may not leave the library before the end of the period unless he has come in with a pass on which the teacher has written "return."
3. The only reasons for a student's leaving his seat in the library are to get library materials from the shelves or files, or to ask one of the librarians for help.
4. All library materials not charged out are to be returned to the circulation desk. Do not attempt to return books to the shelves.
5. All library materials taken from the library must be charged out before leaving.

SCHOOL BANK

The school bank is located on the second floor next to room 237 and is open for service before and during homeroom period. The current dividend rate is 4%.

Fifty cents will open a student's account and his funds will be insured up to \$10,000. Balances of \$5.00 and over earn a quarterly dividend on March 31, June 30, December 31, and

September 30. Funds deposited between the first and tenth of each month will earn dividends for the entire month.

The entire personnel of the Thrift System is bonded, and the facilities for handling accounts include a fireproof walk-in vault and a burglar-proof safe. During the summer months, business transactions may be made at the office of the First Federal Savings and Loan Association, 3211 South Columbia Pike.

SCHOOL STORE

The school store, located on the first floor across from the office, is sponsored by a staff member and operated by students. All necessary supplies, such as pencils, paper, and notebooks are available. Such "school spirit" articles as decals, emblem sweat shirts, and pennants are also for sale. Prices of these items have been established to save money for the students, as well as to provide a slight profit for the general fund of the school. The store is open during the regular school day and for a short period before school.

BOOKSTORE

The Bookstore, which is located across the hall from the office, near the band room, is sponsored by a staff member and operated by students with study halls. The choice of books is based on the reading lists of required material given by the various departments. There are also books for casual reading than can be purchased by any student for individual pleasure. There is no discount on the books; however, the bookstore is extremely convenient. It is open before and during homeroom, during and between classes, and during the lunch periods.

LOST AND FOUND

The Lost and Found is located in the office. Students may turn in or claim misplaced articles at all times during the day.

All lost articles should be turned into the Lost and Found as soon as possible.

Because all lost articles are transferred to the Arlington County Police Department after 30 days, students are urged to claim lost articles immediately.

CLINIC

The clinic is located in room 206 and is provided for the use and welfare of the students of the school. A registered nurse,

a nurse's aide, and student volunteer help will give emergency first aid and care for injury or sudden illness. They are not able to give aspirin to any student.

Should a student become ill during the school day, he should report this illness to his teacher, who will give him a referral slip to the clinic where the extent of his illness may be determined. Referral slips for illness occurring during lunch periods will be obtained through the Division Director's office. If it is necessary for the student to be excused from school, the nurse will contact the parents and make arrangements for his transportation home.

GUIDANCE SERVICES

Counselors are available for conferences with all students, as well as with parents and teachers. If you have problems in keeping up with your scholastic work, in choosing the courses you need, in learning about job opportunities, or in selecting a college, you should see your counselor at once. The names of the counselors are listed on page 5 of this handbook. Appointments may be made through the division secretary.

ASSEMBLIES

Assemblies, an important, informative part of student activities, are usually held on Tuesdays. Some all-school assemblies are planned for each year. The other assemblies are held on a division-level basis. Assemblies are arranged by the division director for the division concerned.

SCHOLARSHIPS

Students who are interested in scholarships should begin to investigate the possibilities early in the school year. It is often necessary for scholarship applicants to take the College Board Exams in December or January. Seniors should inquire about scholarships at the colleges they are interested in attending, and they should consult the catalogs of those colleges for information pertaining to scholarships. There are also reference books on scholarships available in the school library.

It is wise to investigate national scholarship opportunities, such as those offered in the General Motors National Scholarship program and the Naval ROTC program. The guidance counselors will have information on these programs and many others and will keep those students who indicate an interest posted on these possibilities. Current literature (newspapers

and magazines) often contains articles pertaining to scholarships, particularly those awarded on a national scale.

Finally, students seeking financial assistance should investigate loan possibilities. Many colleges have loan funds which are virtually untapped.

SCHOLARSHIP FUND

The Scholarship Fund, sponsored by the Student Assembly, provides \$400.00 to help a deserving senior student defray part of the expenses of his first year in a post high school education program of his choice. The recipient of this scholarship is chosen from written applications and interviews. A screening committee, composed of two counselors, the Principal, the Assistant Principals, and the S.C.A. Sponsor, makes the final choice. Money for this scholarship is raised by voluntary contributions from Wakefield student clubs and individuals.

UPPERCLASS MERIT CARDS

Any upperclassman who has maintained a "C" average with no failures and who is approved by faculty screening is eligible for an Upperclass Merit Card. This card grants certain privileges to the holder, which are announced each year early in September.

An Upperclass Merit Card may be revoked if the holder abuses any of the privileges it grants, or if the holder is guilty of misconduct.

UPPERCLASS RING

Underclassmen who have received for mid-term grades a "D" or better in all subjects necessary for promotion, may order their Upperclass Rings in February. These rings will be delivered at the end of May.

For those not desiring to order rings in February, there will be another opportunity in the spring and at the end of summer school to place orders.

The rings have been manufactured by Herff-Jones in two styles — open and closed back. The open back rings cost approximately \$14.00 for girls and \$17.00 for boys. The closed back rings cost about two dollars more. A selection in the type of stone is available — cut or smooth — and the color of all stones is green.

STUDENT EXPENSES

The following expenses apply to most students:

Division Dues: The amount will be approximately \$2.00 for underclassmen. Upperclass dues will be about \$6.00, which will include rental of cap and gown.

School Insurance: This insurance costs approximately \$2.25 and provides accident coverage for the regular school day and a reasonable time before and after school. Hospital and medical expenses are included.

Yearbook: The Starstone fee is \$6.25 for upperclassmen and \$5.25 for underclassmen. (Upperclass yearbook covers are padded and have the name engraved thereon in gold.)

Newspaper: The Signal is available for \$1.75 per year. Single copies will also be sold.

Rings: The price for upperclass rings ranges from approximately \$14.00 to \$19.00.

Physical Education Fee: This fee is approximately \$6.00 per year for towel service. Gym suits, socks, shoes, and sweat shirts must also be bought by those students who need them.

Club Dues: These dues will vary with the clubs; this expense involves only those students who join the various clubs.

Upperclass picture, if a student wishes to order one, costs \$1.25. Mortar board tassel, if desired, may be purchased by upperclassmen for 50 cents.

JOB PLACEMENT SERVICE

The Wakefield Guidance Department has helped and will continue to help many students find part- and full-time work. If a student wants to check an opening, he can contact the guidance office, which is in touch with many employers in all fields.

Often the job finds the student. Employers in need sometimes give specifications to the guidance department, which in turn contacts the teachers and tries to locate a student meeting the qualifications.

One day during the year is designated as Placement Day. Representatives from many companies come to the school and make themselves available to job-seekers. This is usually toward the end of the year, after the upperclass has had a chance to make plans.

The co-operative training programs at Wakefield are school :

sponsored and promoted by local business organizations to train juniors and seniors for specific occupations and professions. Each program meets the need of the student who plans to continue the study of his chosen field in college, or become engaged in an occupation immediately after graduation. Students, 16 years old and older, work a minimum of 15 hours each week and earn a salary offered any other beginning employee.

The three co-operative training programs offered at Wakefield are Distributive Education (D.E.), Vocational Office Training (V.O.T.), and Industrial Cooperative Training (I.C.T.) D.E. covers the areas of retail, wholesale, and service fields. V.O.T. is composed of twelfth grade students having good skills in typewriting, shorthand, or bookkeeping. I.C.T. offers a variety of occupational training, and is open to eleventh and twelfth grade students who desire to work as any of the following: nurse's aide, beautician, dental assistant, auto mechanic, draftsman, printer, optician mechanic, and sheet-metal worker.

The student in the co-operative training program attends school for a minimum of three hours, taking the required courses for his grade level and one elective. He receives credit for the courses he takes during school and two credits for on-the-job training.

VISITORS

Wakefield is open to visitors most of the time. Exceptions are the days when mid-year and final examinations are being conducted, snow make-up days, and such other days as the administration deems necessary. Parents are welcome to visit the school, meet the teachers, and observe methods of instruction. Visitors are encouraged to call the office and make arrangements so that Wakefield Guides may be provided and visitors passes prepared. All visitors must have passes. All visitors must report immediately upon arrival to Room 126.

PUBLICATIONS

There are five publications at Wakefield: The **Starstone**, our yearbook; the **Signal**, the school paper; the **Pendulum**, Wakefield's literary magazine; the **Student Handbook**; and the **Student Directory**.

The **Starstone** was named after the tiny star-shaped stones found at Wakefield, birthplace of George Washington. The yearbook is published annually and is designed as a record of

school life at Wakefield. It is ordered in the fall or winter months and is delivered before school is out. Students interested in being members of the **Starstone** staff should see the yearbook advisors.

The **Signal**, official newspaper of Wakefield High School, is published every two weeks during the school year. Written and edited by students, it carries stories regarding all school activities, editorials, cartoons and pictures and a Letter to the Editor column. For the first time this year it will be sold by subscription for \$1.75. Single copies will also be sold in home rooms.

The **Pendulum** is designed to give students an opportunity to publish their poems, short stories, and general literary or artistic works. All students are invited to contribute material to the **Pendulum** directly or through their English classes. The **Pendulum** is published once during the school year and copies may be purchased when they are published.

The **Student Handbook**, published by the SCA and edited by the Secretary of Intra-School Publicity, helps new students to become better acquainted with Wakefield.

The **Student Directory**, also published by the SCA, lists the names, addresses, and telephone numbers of Wakefield's students. It is available to all students at a small cost.

FINANCIAL SYSTEM

Revenue from all school affairs (athletics, drama, music, publications, etc.) is deposited in a general fund, from which certain school activities are budgeted. These budgets are approved by the Budget Committee consisting of the principal, assistant principal (in charge of finance), school treasurer, athletic director, four faculty members, secretary of finance of SCA, and the treasurer from each division student government.

AMERICAN FIELD SERVICE

AFS - INTERNATIONAL is a club for foreign nationals and American students who would enjoy planning activities in which they can share their experiences. Interested students contact Sally Abbott, SCA Corresponding Secretary; Karin Johnson, Chairman of AFS-International; or Miss L. Arnold, sponsor. An open meeting with refreshments will be held on September 20 at three o'clock in room 143.

Bus Stop

In July each year American Field Service students in the United States (about 2,904 in 1965) come to Washington, D. C., for a few days of sightseeing. Wakefield is host to one busload (about 44 students and chaperons) and the students are housed in local homes.

Americans Abroad

Juniors and Seniors interested in going abroad with the American Field Service are invited to apply. To be eligible, the applicant must be a good student, friendly, adaptable, and concerned with the international scene. The cost is shared by the school and the family abroad. Karin Johnson spent the summer in Thailand under AFS auspices.

Foreign Student

In January applications will be accepted from families who would like to keep the foreign student assigned to Wakefield for 1966-67. The qualifications for the American family are a heart large enough to receive another child from a foreign land for a year and probably forever, and a mind open to the unique life and culture the student will bring with him. Both boys and girls participate. Expenses are largely met by the Wakefield student body. The host family is expected to furnish room, board, and activities shared by the whole family.

For the school year 1965-66 Wakefield will be host to
Erin Anne Aspell
New Zealand

She will live with
Heidi Sparkes
324 N. Madison St. 524-6270

Every Wakefield student should benefit from this foreign exchange program. Wakefield students are encouraged to greet Erin in the halls throughout the day and introduce themselves whenever possible. Do not hesitate to invite her to school and family activities. Erin is here to learn about Americans. By sharing our lives with her, we can both grow a great deal.

TRADITIONS

Wakefield Warriors, flying their colors of green and white, have established many school customs in Wakefield's twelve-year existence. The following traditions are all a part of

Wakefield's school year and provide much enjoyment for everyone.

The Wakefield-W-L Pep Rally is held in the football stadium the night before the big Wakefield-W-L football game. The clubs parade their gaily decorated floats and give skits in competition, and the cheerleaders lead yells to increase school spirit. All floats are judged; about six floats in all are awarded places. It is a great night for all.

Green and White Day is the day of the Wakefield-W-L football game. Everyone wears green and white to display school spirit.

The Hammond-Wakefield Football Jug (No. 1) was retired by Wakefield in 1963 after the Warriors defeated the Admirals for the third successive year. This jug is displayed in the trophy case in the boys' gym lobby. Jug No. 2 is also on display in the same trophy case, Wakefield having defeated Hammond last year, 16-6.

The Homecoming Dance, sponsored by the Student Assembly, is held the night after our last home football game. **The Homecoming Queen** is crowned and reigns at the dance with her court, consisting of two underclass attendants. The queen and her attendants are presented to the student body by the Student Assembly at the homecoming game. Candidates for queen and attendants are first selected by the football team. The student body makes the final selection.

Christmas traditions are numerous. The week before Christmas is quite hectic for homerooms and clubs. The school sponsors a door, transom, and Christmas basket decoration contest. There is a Christmas basket contest for both clubs and homerooms with separate judging on quantity and quality of food and appearance of basket. Wakefield's halls are colorful and cheerful as homerooms display their decorations. The food in the beautifully decorated Christmas baskets is given to needy families (through the Salvation Army) for Christmas.

The Senior-Alumni Dance is held during the Christmas Holidays and is attended by seniors and past graduates and their dates. It is sponsored by the Student Assembly and was started in 1956.

The Snow Queen Ball is held every January and is sponsored by Psi Service Club. Wakefield's Snow Queen, a member of any division, reigns at the Ball. Since the queen is judged on talent as well as appearance, a talent contest is held among the

candidates. The girls can be nominated by anyone and must fill out an application form expressing their desire for candidacy. Judging of the contest is by members of Psi and faculty. Five girls are selected as finalists; the Snow Queen is chosen at the Ball after each girl has displayed her talent.

Zeta Gorp, a dance with casual dress, is traditionally sponsored by Zeta Service Club. Students show their support of a candidate for "Ugly Man" by putting money in a jar with his name on it, at lunch. The candidate whose jar collects the most money is crowned "Ugly Man" at the Gorp.

The Hoot'nanny was sponsored for the fourth time last year by the Student Assembly. It is an informal night of entertainment featuring group singing and refreshments after Bermuda Day.

Bermuda Day is held in May and is sponsored by the Student Assembly. Everyone buys bermuda licenses for \$.50. This license allows a student to wear bermudas to school on that day. All profits from Bermuda Day are put in the Foreign Exchange Fund.

The WSC Sing, sponsored by the Service Club Council, is held one evening in April and may be attended by anyone, free of charge. The Service Clubs prepare two songs for this event and compete for top singing positions. First, second and third places are awarded in both boys' and girls' Service Club divisions.

Open Season, sponsored by Optimi Service Club, is the week of the year that girls anxiously await. During this week in the spring, girls buy tags from members of Optimi for \$1.00 and tag their favorite guys. The girl must carry all books, open all doors and perform other such services for the guy she has tagged. A dance is held on the Saturday night of that week, which marks the end of Open Season.

The Yearbook Signing Party is sponsored by the upper class. This party provides the opportunity for upperclassmen to sign each other's yearbooks.

The Underclassmen's Prom was initiated last year. It is held in early May and is sponsored by the Student Assembly.

The Upperclassmen's Prom is held in late May or early June. This is the last dance of the year and is attended by practically all the members of that class.

DANCE POLICY

The Dance Committee shall consist of the school principal, the faculty S.C.A. adviser, the President of S.C.A., the Secretary of Social Activities of S.C.A. (chairman), and one student representative of each division. The student representatives must include at least one upperclassman and at least one underclassman.

The duties of the Dance Committee shall be to set up dates on the calendar for all school dances; to assign dances to organizations applying for them; to draw up rules for the conduct of dances and to make copies of these rules available to all organizations sponsoring dances; and to make decisions on all matters concerning the dance policy.

The Dance Committee shall have jurisdiction over all dances held at the school. At present, the committee need only extend this power to dances held at night. If it becomes necessary in the future, however, the Dance Committee may extend jurisdiction to dances held in the daytime.

The number of dances each year will be approximately eleven. These should include: one senior class sponsored dance, the Senior Prom; three S.C.A. sponsored dances—the Homecoming Dance, the Senior-Alumni Dance, and the Underclass Dance; one P.T.A. sponsored dance, the Moonlight Dance; and six to eight other dances.

Divisions will not be assigned a specific date or dance as a matter of course, but will be required to apply for open dance dates along with clubs and other organizations. However, each division shall be given preference over other organizations for at least one dance.

HONOR SOCIETIES

Wakefield is fortunate in having many honor societies among its activities. The approximate size and requirements for membership for each society are listed below.

The National Honor Society has about 80 students in its membership. Requirements for membership are a 4.0 average for sophomores, a 3.5 average for juniors, and a 3.2 average for seniors. Students must also have faculty recommendations for character, leadership and service. The president is Robert Shostak. Sponsors are Miss Crawford and Miss Burrows.

Mu Alpha Theta, the Mathematics Honor Society, has about 90 members. All members must have completed Algebra I

and Geometry and received "A" finals in both, and must maintain an overall "B" average. The society has lectures, field trips and projects, and sponsors an annual math contest. The president is Robert Shostak.

The French Honor Society has about 50 members. Students are admitted into the society after three semesters of French with a "B" average in French and must have a faculty recommendation. The president will be chosen in the fall.

The German Honor Society, consisting of about 20 students, requires all members to have an "A" average in German I or a "B" average in German II, III, or IV.

The Latin Honor Society has about 50 members, each of whom must have completed three semesters of Latin with an "A" in either Latin I or Latin II. The president is Jerry Grossman and the sponsor is Mrs. Fenton.

The Spanish Honor Society, consisting of 15-20 members, requires each of them to have a "B" average in Spanish and an overall "B" average. The group explores the culture of Spain through Spanish restaurants, etc. The sponsor is Mr. Ascunce. The president is Terry Epperson.

The Art Honor Society has about 30 members, all of whom have completed at least one semester of art with a "B" average. Miss Royter and Miss Sloan are the sponsors. Applicants must submit samples of their work to the society.

The Quill and Scroll is a journalism honor society with about 20 members. All of them are juniors or seniors, in the upper third of their classes, who have done outstanding work on a publication for at least one semester.

The Thespians is the drama honor society of about 25 members. Students earn admission by working on dramatic productions.

CLUB PROGRAM

The club program at Wakefield offers many opportunities for students to develop and expand their interests, social contacts, service in the school and community, and active participation in school life.

The clubs meet after school on specially designated days in order to avoid conflicts with other after-school activities. A new club may be formed by a reasonable number of interested students and a faculty sponsor, who will in turn apply for a

charter. All clubs will be represented on the Inter-Club Council, an organization headed by the Secretary of Clubs. The purpose of the Council is to coordinate and publicize the activities of the clubs. Its primary activity is Club Week, which is held in early fall and serves to demonstrate the activities of each club and to stimulate interest in them.

The approximate size and purpose of each club are listed below.

The Art Club has about 15 members who spend one afternoon a week in Wakefield's art department working on individual art projects. Art materials are bought for the members through minimal dues.

The Bridge Society is open to any student who can play bridge and wishes to improve his game or simply to play with other students. Matches within the club and contests with bridge clubs from other schools are held. Mrs. Jenkins is the sponsor.

The Chemical Society usually has about 25 members. Activities include experimenting in the laboratory, hearing outstanding speakers, and watching films.

The Chess Club has about 8 members, all of whom are interested in chess. The club competes in the Northern Virginia and the Metropolitan Chess Leagues.

The D.E. Club is composed of juniors and seniors enrolled in the Distributive Education co-operative training program at Wakefield. It has approximately 40 members who carry out such projects as holding a fashion show, having an employer-employee dinner, and attending the district convention.

The D.O. Club, or Diversified Occupations Club, is for I.C.T. students. It has about 30 members.

The Wakefield Emergency First Aid Squad is open to all male students at Wakefield who hold an American National Red Cross standard first aid card. The Squad provides emergency first aid for the school, performing specific duties during fire and air raid drills and special school events.

The Folk Society was created to promote interest in folk songs and encourage talented students toward group participation. The president is Michael Fitzpatrick.

The Future Homemakers of America is a national home economics club; our chapter has about 40 members. Studying fashion designs, and making Christmas gifts are typical projects.

The **Future Teachers of America** is a professional club for students who are interested in entering the teaching field. In order to better acquaint the average student with the problems involved in classroom teaching, we have a voluntary assistant program at Claremont Elementary School. We also invite such educators as Mr. Groves, President of the AEA, guidance counselors and current student teachers to guide and encourage us in our chosen field. The sponsor is Mr. Kenneth Dixon. The President is Bette Pascoe.

The **Wakefield Guides Association** is composed of about 35 specially selected students who guide all visitors around the school and usher at important school functions. They also orient new students and act as hosts and hostesses at Back-to-School Night, Baccalaureate and Commencement. Guides must have at least a 3.0 average and must be in good standing with the faculty. The president is Sally Abbott.

The **Gymnastics Club** has about 20 members who hold regular practices in tumbling, vaulting, and trampoline.

The **Key Club**, although not classified as a service club, performs many services. The membership consists of about 35 boys that have high standards of citizenship. The club is a national organization which carries out school and community projects. The president is Bob Snipes and the sponsor is Mr. Morgan.

The **Keyettes**, the girls branch of the Key Club, has 30 members. Its projects and requirements for membership are similar to those of the Key Club.

The **Modern Dance Group** is open to any girl interested in modern and interpretive dancing, and meets once weekly. The year's program includes participation in the spring concert in early May as well as various performances throughout the year. Choreography and costuming are by the members of the group. The president is Nina Arthur and the sponsor is Mrs. Wilmah Dando.

The **Wakefield Monogram Club** members have all received a school letter and must be in good standing with the Wakefield faculty. The goal of the Monogram Club is to promote school spirit. The president is Ernie Moore.

The **Photography Club** has approximately 20 members who take pictures at Wakefield dances and other school functions.

The **Red Cross Club** is open to all students interested in community service projects such as entertainment units for

hospitals and handicapped children. A leadership program is conducted during the summer months by the Arlington County Chapter of the Red Cross.

The **Rifle Club** has about 40 members who hold matches with other schools and enter the N.R.A. competitions. The club provides a place for organized target practice and training.

The **Wakefield Rocket Society** has about 25 members. It consists of three divisions: electronics, which operates a ham radio station; astronomy, which has its own telescope; and rocketry. The president is Bob Shostak and the sponsor is Mr. Wynn.

The **Shakespeare Society** meets after school on the first Monday and the third Wednesday of each month to read and act out scenes from Shakespeare's plays, to learn about the bard's life and times, and to plan activities for the school fostering an understanding of his works. The president is Buzz Christianson and the sponsor is Mrs. Mary Kendrick.

The **Spanish Club** is composed of students interested in the Spanish language and culture. Members visit Spanish ballets, restaurants and embassies and invite various people to speak on Latin American countries. The president is Carol Fuller and the sponsor is Mrs. Sonia Wall.

The **Swimming and Diving Club** has about 25 members who practice weekly at the Northern Virginia Aquatic Club. The team has meets with other high schools in the area. The president is Monica Mulcahy.

The **French Club** is for qualified students of French II and above who would like to explore various aspects of French culture in French. The club had almost 50 members last year. Any interested student is encouraged to join. The club has not elected officers for this year as yet.

SERVICE CLUBS

There are about five boys' service clubs and sixteen girls' service clubs at Wakefield. The purposes of these clubs are to perform beneficial service projects in the school and community and to have meaningful programs at meetings.

In the fall, a representative from each service club is chosen to represent his club in the Service Club Council. The Council coordinates activities of the clubs and sponsors various activities in which the clubs can compete. These include the

Service Club Sing and the Christmas basket contest. The Council also sponsors an induction for new members and participates in an officer-training weekend.

Students wishing to start a new service club should contact the principal in charge of student activities or the Service Club Coordinator for a sponsor, draw up a constitution, and apply through the Service Club Council for a charter. Maximum membership is thirty (30).

The following is a partial list of service clubs for 1965-66 and their presidents and sponsors:

DRAMA

Wakefield provides an extensive drama program, including two school plays, one normally in the late fall and the other in the early spring, as well as the popular variety show, "Here Come the Warriors." All students interested in participating in the dramatic efforts or exhibiting their talents in the variety show should respond immediately to calls for try-outs.

DEBATE

Wakefield has participated for the past several years in the Northern Virginia Debate League and is regarded as a formidable competitor in interscholastic debate circles. Approximately 40-50 students try out each year for the debate squad. From 16 to 20 are retained throughout the year for the interscholastic competition, both varsity and junior varsity, as well as competition in tournaments conducted by universities in the state and the District.

MUSIC

The performing organizations in the music department include the symphony orchestra, concert and reserve bands, marching band, Wakefield singers, mixed chorus, and girls' chorus. At various times during the school year these groups perform for student assemblies at Wakefield and at the various feeding junior high schools in Arlington. The marching band is a voluntary organization which participates at Washington area parades and at the Apple Blossom Festival in Winchester. A group made up of the combined bands performs at the fall varsity football games. The orchestra on occasion serves as a pit orchestra for such events as the school plays, and faculty shows. Each year the music department presents a series of evening programs, including the fall "Pops" concert, Christmas concert, spring concerts by the bands, orchestra, and choruses. In addition, selected groups also perform at the annual bacca-laureate and commencement exercises.

All athletic activities for girls are organized on an intramural basis, scheduled after school. This program is incorporated as the Girls' Athletic Association. This year, the club will try to arrange its activities on a divisional basis. A representative from each health and physical education class will serve on the G.A.A. board of officers. books may be purchased from the Athletic Office for the price of \$7.00. Purchase of these books results in a substantial saving to the purchaser, as well as guaranteeing support to all athletic activities that are part of the school. Keep in mind, however, that admission tickets used by persons other than those to whom they were issued will be revoked. Lost books are not replaced. Football tickets at gate, \$1.25.

CHEERLEADERS

The girls of Wakefield's two cheerleading squads, Varsity and Junior Varsity, are screened by a committee composed of members of the school's various athletic teams. This year's Varsity cheerleaders, junior and senior girls, were selected last spring. The J. V. cheerleaders, all sophomore and junior girls, will be chosen early this fall. Students will be given ample notice concerning practices which will be held prior to tryouts.

The twelve girls on the Varsity squad and the ten on the J. V. squad all must have a "C" average with no failures. Practices are held once a week.

This trophy is rotated among the schools on an annual basis determined on the basis of points won.

During two annual awards' assemblies, students who have excelled in scholarship, citizenship, and other school activities are presented with the following awards:

1. Daughters of the American Revolution: a Good Citizenship award of a medal and certificate to a senior girl in each division.
2. Sons of the American Revolution: a Good Citizenship medal to a senior boy in each division.

3. Bausch and Lomb award to an outstanding senior in the field of science.

8. Activity letters for those attaining 100 points.
9. Intramural sports awards to boys and girls who have accumulated a certain number of points through participation in intramurals.
10. Recognition of those students who have received achievement awards through participation in events on an individual or group basis (debate, music, etc.).

Athletic awards are presented at assemblies following each sport season.

FREEDOM'S FOUNDATION

The S.C.A. of Wakefield has traditionally submitted a written report on the activities of the school student government to the Freedom's Foundation. This foundation is a patriotic educational organization which sponsors a program to promote an interest and understanding in the American way of life; it gives awards to various schools, authors, composers, ministers, and legislators each year. Approximately 32 thousand entries are received from schools each year, and about two hundred of these receive an award; Wakefield has won an award five times.

POLITICAL PARTIES

Political parties are a long-standing institution at Wakefield. They were founded for the purpose of promoting student interest in student government affairs and for providing a democratic, efficient method of nominating candidates for S.C.A. offices. The two parties, Wakefield Independent Party and the United Students Improvement League are both dedicated to the

fostering of new ideas for Wakefield's S.C.A. though they often differ in the methods of action they suggest.

Membership in political parties is open to all Wakefield students, and everyone is urged to take part. Each year, just before the elections in the fall and the full spring election, activity is at its height. Nominating conventions are held by each party, platforms are drawn up, and campaigning goes into full swing. Each student is urged to learn how the political parties operate, join the one of his choice, and take an active part.

THE INTERFAITH COUNCIL

The Interfaith Council is a committee of faculty and students affiliated with the Student Assembly. The primary purpose of this committee is to direct the attention of students and staff to the ethical and moral imperatives of constructive human conduct. One major responsibility assumed by the committee in the discharge of this purpose is that of informing students and staff of impending religious and national holidays and of helping them become more aware of the significance of these holidays. To do this, the committee publishes a booklet; the first part of this booklet contains explanations of religious and civil holidays and quotations applicable to everyday life. The thoughts for the day included in the morning announcements come directly from this section of the booklet. The other major responsibility assumed by the council is the encouragement of student discussion of moral and ethical problems. The final section of the booklet consists of selections from the world's great authors, philosophers, and theologians. These excerpts provide a basis for student discussions in homerooms, service club meetings, etc.

The Interfaith Council is interested in student and staff reaction to the materials that they publish and request that suggestions for improvement be submitted directly to the Principal.

FRATERNITIES AND SORORITIES

Membership in organizations which are not school-approved (secret societies, fraternities, and sororities) is prohibited by action of the Arlington County School Board. Students who affiliate with such organizations will be subject to disciplinary action. This action will include: exclusion from participation in athletics, the holding of school offices, and the receiving of honors for the remainder of the year; and suspension from

school until the student has given evidence that he is no longer associated with the prohibited activity.

If there is doubt as to membership in such an organization, the parents and student involved will be required to sign an affidavit of non-association in a prohibited secret activity.

POINT SYSTEM

A letter may be earned by participation in school activities or in athletics.

Awarding of a letter for school activities will be based on **100 points**. This letter shall represent participation in all school activities. In order to avoid a situation in which a student participates in only one activity, a maximum of 75 points can be earned in any one activity. **Students are to be assigned the number of points as indicated or according to the sponsor's evaluation of the student's participation.** Points listed are maximum allowances and should only be assigned for outstanding performance.

What have you got? WAKEFIELD
Say it again, WAKEFIELD
Who's gonna win? WAKEFIELD!!

LOCOMOTION

Is everybody happy? Yeah, Mo!
Is anyone down-hearted? No, no!
So you take a locomotive
And you take it slow.
W - A - R - R - I - O - R - S
W - a - r - r - i - o - r - s, Warriors, fight!

HEY HEY

Hey, hey, What d'ya say,
What d'ya say?
Let's fight, let's fight,
Let's win, let's win,
Hey what d'ya say
Let's fight, let's win,
Hey what d'ya say
Let's fight, let's win!

FIGHT SONG

Wakefield your Warriors
Will ever be true.
For you we'll fight
And spread your glory, too!
Fight! Fight! Fight!
Come, let us sing out
The Wakefield battle cry—
With thunderclubs and tomahawks,
We'll make your name and spread your fame—
Wakefield—we're all for you!

ALMA MATER

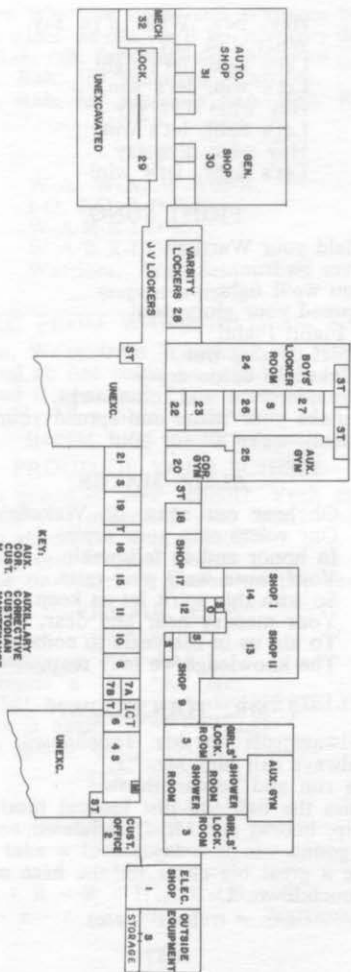

Oh hear our song, oh Wakefield,
Our voices sing your praise.
In honor and in fellowship
Your cause we'll ever raise.
So with this spirit let us keep
Your mem'ry near and dear,
To aid us in the years to come,
The knowledge we may reap.

MR. TOUCHDOWN

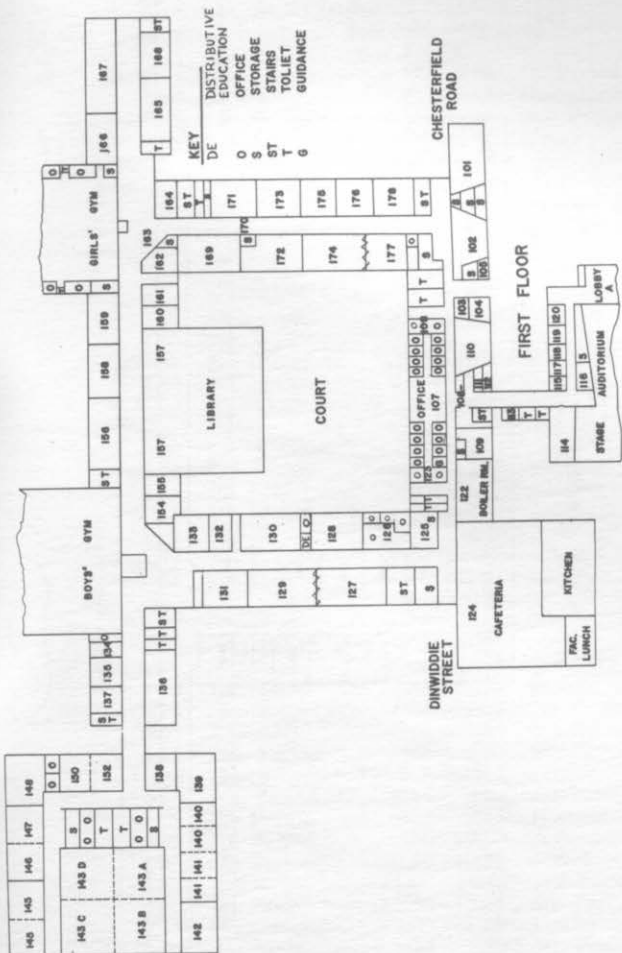

They always call him Mr. Touchdown,
They always call him Mr. "T."
He can run and he can throw,
Give him the ball and just look at him go!
Hip, hip, hooray for Mr. Touchdown,
We're gonna win it today.
So give a great big cheer for the hero of the year
Mr. Touchdown, U. S. A.!
(repeat verse)
